6:07 pm Presentation by Tyler Crabb, Captain, Wareham Fire Department

- Presentation of data related to ISO rating and response times.
- Wareham Fire District has an ISO rating of 2, on a scale of 1-10 (1 being the highest)
- The rating can be updated every three years; the last update in Wareham was in 2020.

6:12 pm Matt Bennett joined the meeting.

6:38 pm Options of services from Todd Costa, KBA Architects

- Todd Costa has supplied us with cost for a range of services
 1. Manpower and Response Study
 2. Revise 2012 Station Program based on industry changes
 3. Identify and evaluate available land for new station
 4. Provide Anticipated Total Project Cost for preferred site

At our next meeting, this committee will make a recommendation to the Prudential Committee regarding a request to contract for one or more of these services. Funding would be requested by the Wareham Fire Department in the form of a request for an article at District Meeting.
